REPORT of Detective E.A.Stevenson, No. 2627

relative to members of the former German Club, Auckland.

I respectfully report that with the assistance of [redacted] I have checked off each name in the two lists attached with a view to establishing nationality and liability under the Alien Control Emergency Regulations 1939.

Resulting on that checking and some subsequent inquiry in some cases, I made a note of the following names, as being those of the only ones mentioned in the lists whose liability was doubtful and who were not registered.

Inquiries regarding those named were then instituted by Sergt. Bennett the Alien Registration Officer at Auckland.. These files are now held in the Alien Registration Office.. Alongside the names below I have briefly shown the result of these inquiries.

It will be seen that only two ^{who} were not registered were liable to registration.

REPORT of Detective E.A. Stevenson, No. 2627

relative to DEUTSCHER VEREIN (German Club), Auckland.-
copy of the Club's membership list and guest list.

"Vide attached"

I respectfully report that the attached list of names of members and guests of the German Club, Auckland was copied by me from the Club's list brought up to date to February, 1938.

The names struck out are those of persons who have ceased to be members of the Club during the past year or two. It will be seen that the Club now has a total of 84 members.

The list of names was obtained secretly and the fact that the Police have a copy is unknown to the Club's executive.

Previous reports have indicated those members who have definite pro-German sympathies and Nazi tendencies.

E.A. Stevenson.
