SYDNEY. N.S.W.

Dear Sir,

Bund des Deutschtums in Australien.

I have to acknowledge, on behalf of our President Professor G.W. von Zedlitz, your letter of 9th August which was passed by him to the Executive Committee for its consideration. The Constitution of the Bund and the accompanying Pamphlets explaining the Aims and Objects of the Bund were also circulated for perusal and consideration, so that the Committee should be in full knowledge of the Movement as outlined.

I have been requested to thank you for your invitation, and to inform you that the matter was discussed at several Committee Meetings and it was finally resolved that, owing to the present disturbed political position, there be no further discussion on the subject for the time being; but that it may be brought up again at a more favourable opportunity after the close of this Year.

With many thanks,
I am,

Yours faithfully,

Hon. Secretary,
